NAVY DEPARTMENT, dec. 4th October, 1845.

BECKWITH'S ANTI-DYSPEPTIC PILLS have been most successfully employed in almost every variety of functional disorder of the stomach, bowels, liver, and spleen; such as heartburn, acid eructations, nauses, headache, pain and distension of the stomach and bowels, incipient diarrhua, coic, jaundice, flatulency, habitual contiveness, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperiept for females during pregnancy and subsequent confidement; relieving ic, jaundace, flatulency, habitual costiveness, icas of appetite, sick headache, sea-nickness, dec. &c. They are a safe and comfortable aperient for females diring pregnancy and subsequent confidement; relieving sickness at the stomach, headache, hearrburs and man yof the incidental nervous affections. Literary men, students, and most other persons of sedentary habita, find them very convenient. Those who indulge too freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are drinking mineral waters, and particularly those from southern climates, ague and fever districts, will find them a valuable adjunct. Those who are exposed to the vicissitudes of weather on voyages or journeys, can take them at all times with perfect safety. In full doses they are a highly efficacious and safe antibilious medicine. They seldom or never produce sickness at the stomach or griping.

There have been many imitations and worthless counterfeits of these pills put in circulation by unprincipled and ignorant persons—the directions, wrappers, &c., of the genuine pills so closely and accurately copied, that the closest observer could not, without a trial of their effects, distinguish between them.

Dr. T. W. Dyott & Sons, of the Columbian college, 131 N. 2nd street, Philadelphia, having undertaken and been appointed by Dr. Beckwith sole agents for the United States, for the sale of the slove pills, the public are informed that they can be supplied with the genuine article in any quantity at the same price as by the proprietor, by applying as above.

N. B. To guard against counterfeits, all the pills furnished by the sole agents, are put in dozen packages, with a blue engraved label, (White letters, 40 BECKWITH'S ANTI-DYSPECTIC PILLS, T. W. DYOTT & SONS, sole agents for the proprietor.
